My name is Andee, I have been an RCC since 2014 and have a considerable amount of work experience in the following areas; residential treatment for mental health and addiction, outpatient counselling services, school based counselling, community (not for profit) youth and family counselling, private practice, group and workshop facilitation, supervision of counselling students and clinical supervision.

I have certifications and experience working with the following populations, children, youth and adults, grief, mental health, addiction, trauma, neurodivergence, couples, families, and individuals.

I can support individuals with supervision regarding growth and development as a counsellor and building on specific skills or knowledge to work towards identified goals.

Area of Supervision:

- Clinical Supervision
- Clinical Consultation
- Group Supervision
- Peer Supervision
- Peer Consultation

Type of Services

- Telephone
- Online/Remote
- In-Person
