Dr. Benjamin Aiken, a highly qualified professional with a Ph.D. in Counsellor Education and Supervision and an MA in Counselling Psychology and Counsellor Education, brings a wealth of expertise to clinical supervision. His approach is deeply rooted in the Humanistic-Existential philosophy of psychotherapy, utilizing a rich foundation of psychotherapy theory.

As a Diplomat Clinician in Logotherapy certified by the Viktor Frankl Institute of Logotherapy, Dr. Aiken integrates existential principles into his supervisory practice. With a clinical focus on gender and sexuality, he specializes in providing guidance and support within these vital facets of clinical work, ensuring a holistic and inclusive approach to supervision.
