Deanne has practiced as a therapist with children, youth, and families for over 25 years. She has provided canine assisted therapy for 20 of those years. Deanne's therapeutic practice is rooted in neurobiology and understanding how experiences and relationships shape our brains. Her extensive training and experience in play and expressive therapies, EMDR, NMT (Child Trauma Academy) and Satir Family Systems Therapy, provide her with a vast and varied therapeutic tool kit.

Deanne is also has experience designing and creating therapeutic practices and spaces. She currently practices both in urban and rural settings.
