In addition to being a Registered Clinical Counsellor, I am also a Registered Art Therapist with the BC Art Therapy Association and the Canadian Art Therapy Association. As such I can offer clinical supervision and case consultation to both counsellors and art therapists and to established professionals as well as students working on their Master's Degree or accreditation.

I have worked in non-profit organizations in England and in BC, mainly with children and youth who have experienced trauma and their families. I have also worked with adult women and was a Trauma Counsellor in the First Nations elementary school in Port Alberni, BC.
