

Holly Zacharias RCC-ACS

I graduated with my masters in 2011 and have been practicing continually since. I have worked in a breadth of counselling positions, and have spent the last few years as a clinician at child and youth mental health. Previously I worked mostly with adults. I am strong diagnostically and appreciate an eclectic counselling style. I have had 5 masters students to date, and enjoy the supervision and growth process. I believe strongly in being a safe, informative and welcoming person for students.
