I am a registered clinical counsellor in private practice in Campbell River. My areas of specialty include: working with children and youth experiencing anxiety, depression, grief, and trauma, working with children and youth in the foster care system as well as children and youth with attachment challenges, and working with first responders. I am a somatic experiencing practitioner and I also have a certificate in expressive play therapy. I currently provide clinical supervision and consultation to counsellors in private practice, graduate-level counselling students, and counsellors at various agencies.

I view supervision/consultation as an opportunity to celebrate your successes as well as navigate challenges you may face in your career as a counsellor. I approach supervision and consultation from a collaborative and supportive lens. It is an opportunity for you to learn, grow, and expand your skills and abilities.
