Marney Thompson is currently the Director of Bereavement Services at Victoria Hospice. In 2016, she co-authored the award winning text, “Transitions in Dying and Bereavement: A Psychosocial Guide for Hospice and Palliative Care.” In 2012, Marney completed training at the Columbia University Center for Prolonged Grief and in 2017, she co-authored the peer-reviewed article “Complicated grief in Canada: Exploring the client and professional landscape”. In 2021, she co-authored “Experiences of grief-bereavement after a medically assisted death in Canada: Bringing death to life,” published in *Death Studies*.

Marney is a seasoned national and international conference presenter and clinical co-lead of the BC Psychosocial Palliative ECHO project. In addition to her clinical counselling practice, Marney is also a co-founding member of the Canadian Grief Alliance. Her areas of expertise include illness, dying, death, and grief and she is available for individual or group supervision or consultation.
