

Dr. Maya Misic RCC- ACS

Dr. Maya Misic have been working in the counselling field for the past 20 years, and supported counsellors with clinical supervision since 2008. Maya is an EMDR Consultant in training, EMDR Certified therapist, IFS, DBT, CBT and Mindfulness Trained. She is an experienced trauma clinician. Maya was managing counselling department in a non-profit agency, where she was supporting fellow counsellors and provided clinical supervision to students from Adler School of Psychology, SFU, UBC and other Master level counselling programs. Currently, she runs her own private practice. Maya offers individual and group supervision/clinical consultation to MA counselling students, beginner and experienced counsellors. Maya loves art and nature, and in free time she enjoys hiking, spending time with her family, making art and singing.
