

# Ryan James RCC-ACS

My name is Ryan James, I am an RCC and CCC counsellor that has been supervising students since 2009.

I work from a social role and developmental model of supervision, I work where you are at and am excited to work with students and professionals that need to work through their process.

I work from a CBT and person centered approach, utilizing ACT, Solution Focused, Motivational Interviewing and other modalities in my clinical work which enhances and supports my supervisory work.
