Sherry-Lynn Squitti (she/her) MA, AT, RCC, is a Registered Clinical Counsellor & Registered Clinical Supervisor with the British Columbia Association of Clinical Counsellors Registration # 8711. She has been providing counselling and family services for over 30 years. Sherry-Lynn is also a certified counsellor with the Crime Victim Assistance Program (CVAP) and the First Nations Health Authority (FNHA) and identifies as Metis.

Sherry-Lynn has been described as compassionate, empathetic, supportive, attuned, and knowledgeable.

Sherry-Lynn's practice is attachment and trauma-informed with the focus placed on the relationship. She is trained in evidence-based modalities such as cognitive behavioural therapy (trauma and anxiety), interpersonal psychotherapy, solution-focused therapy, art therapy, Gottman couples therapy, emotion-focused family therapy and parent-child relationship therapy. She is also trained as a trainer for motivational interviewing.

Sherry-Lynn has extensive experience working with Indigenous children and families. Sherry-Lynn also has extensive experience working with children in care and adopted children.

Sherry-Lynn has taught art therapy internationally and is currently developing resources for adopted children and children in care.
